

VACANCY ANNOUNCEMENT

BACKGROUND:

Amref Health Africa – Tanzania is an independent, non-profit, non-governmental organization (NGO) whose mission is “to improve the health of people by partnering with and empowering communities and strengthening health systems”. Amref Health Africa-Tanzania is largely supported by Multilateral, Bilateral, and National donors, implementing several programmes including HIV/AIDS/TB/Malaria, Reproductive, Maternal, Newborn, and Child Health, Water and sanitation, and clinical outreach.

Amref Health Africa – Tanzania with funding support from MasterCard Foundation, and Technical Assistance from Africa CDC implements the Phase II Saving Lives and Livelihood project to support the country's transitions from the COVID-19 emergency response to routine vaccination efforts, emphasizing the need to protect high-risk populations and youth and prepare for future emergencies. Service delivery will involve integrating COVID-19 vaccination with routine immunization services through existing healthcare channels and ensuring trained staff at Primary Health Centers. Key timelines include immediate implementation to reach zero-dose children, ongoing support for priority groups, and milestone evaluations at regular intervals to track progress. With the above background, Amref Health Africa Tanzania has the following vacancy:
